EPA's 10/16/02 § 104(e) CERCLA Request for Information
Berry's Creek Study Area

Dear Mr. Ausubel:

This firm is environmental counsel to Scapa Tapes North America (Carlstadt), Inc. ("Scapa"). In that regard, enclosed please find Scapa's Response to EPA's Request for Information (including Schedules A-E) regarding the Berry's Creek Study Area. Please note that on or about October 31, 2002 Clay Monroe, Esq. granted Scapa a thirty (30) day extension (through December 20, 2002) in which to respond to EPA's Request. As directed, as you can see, I have provided Mr. Monroe with a copy of Scapa's Response (including Schedules A-E). Please also note that Scapa has attached a facsimile signature page to the Certification of Answers. I will forward you an original executed and notarized signature page to the Certification next week.

Thank you for your attention to the above matters. Please contact the undersigned counsel if you have any questions or if you require any additional information or documentation at this time.
